SPANISH UNREST.

CONSPIRACY AGAINST DE RIVERA.

ARRESTS IN FRANCE.

ANARCHIST DOCUMENTS SEIZED.

(Reuter's Service.)

PARIS, November 9.

A message to "Le Journal" from Perpignan states that sixteen Spaniards were arrested yesterday, but were released as no offence was proved against them.

Six others were detained for unlawfully carrying arms. Two stated they intended to participate in a conspiracy against De Rivera, but did not belong to any organisation. Several suspected men tried to cross the frontier yesterday. Two were arrested at Banyuls-sur-Mer carrying revolvers and anarchist documents.

The Spanish Directory has decided to reinforce the frontier guard.

[Note: Banyuls-sur-Mer is a small sea-port town at the foot of the Pyrenees.

Perpignan is the capital of the department Pyrénées-Orientales, 35 miles S. by W. of Narbonne. The Kings of Aragon often resided here and founded in 1349 a university which remained till the revolution.]

MRS. HARDING.

STANDS OPERATION WELL.

(Reuter's American Service.)

MARION, OHIO, November 9.

Mrs. Harding, widow of the late President Harding, has been operated upon for kidney trouble. She stood the shock well.

GERMANY.

REDUCTION OF TAXES.

RELIEF DUE TO LOANS.

EXPORTERS SHOULD BENEFIT.

BERLIN, November 10.

The Government has decided to reduce the income tax between 15 and 25 per cent. on incomes under 8,000 marks annually, with further allowances for children. The business turnover tax and luxury tax will also be substantially reduced. These reliefs are possible in consequence of the improved financial situation due to obtaining loans under the Dawes scheme and a large excess of revenue over expenditure in the National Budget. It is expected the reductions mentioned, besides decreasing the cost of living, will increase the German export capacity, as it will be unnecessary to raise workers' wages; and export prices, consequently, can be kept at a level which will enable exporters to compete successfully in the world's markets.

SOVIET AND POLAND.

BOLSHEVIKS' FRIENDLY ASSURANCES.

PRESS HOSTILE TO VOIKOFF.

(Reuter's Service.)

WARSAW, November 10.

M. Voikoff, newly-appointed Soviet Minister to Poland, has handed his credentials to President Wojciechowski.

He made a speech, assuring the Polish Government of the Soviet's friendly intentions and desire for co-operation.

The President, in reply, hoped the fulfilment of the obligations of both countries would be the foundation for the resumption of normal relations.

The Press is hostile to M. Voikoff, alleging that during the two years he was representative of the Commission for the execution of the clauses of the Riga Treaty, he placed many obstacles in the way of the Polish representatives.

The Press also points out that attacks by bandits from across the Eastern border are of daily occurrence.

POPPY DAY.

PLANS COMPLETE FOR "DRIVE."

Preparations for to-morrow's local Poppy Day Drive are now complete. The Drive comprises three separate activities, occupying respectively the morning, afternoon and evening.

The pre-liftin hours will be devoted to an organised Amayorian Attack in the course of which almost a hundred ladies (supported by little girls, Boy Scouts, motor cars and a donkey) will endeavour to exchange their trays of poppies for boxes of nice big bank notes.

In the afternoon a special football match will take place on the Club ground, the Navy and Army opposing a team drawn from the rest of the League. Strong representative sides have been selected, and a good game should result. As to-morrow is a public holiday, this match provides a welcome indication of how to occupy the afternoon. The Surrey band will be in attendance. Teams and full details were published in last Saturday's "China Mail."

For the evening there is the Grand Poppy Night Carnival at the Victoria Recreation Club. This is to be something more than the ordinary dance. Balloons, artless, squeakers and gala appearances will be in evidence, there will be raffles, side-shows, amusing interludes, and stunts, and also a special Poppy Dance. The Lyric Dance Orchestra has been engaged for the evening, and dress may be either fancy or evening. Tickets are on sale at \$3 each, and to-day concerted efforts are to be made to sell tickets that have been printed, ladies will invade the offices of Hongkong and heard the men folk in their dens, with the object of augmenting Hongkong's contribution to Earl Haig's Fund.

Among other services of revenue are to be included the sales and auctions of poppies and poppy posters, which will be carried out at various clubs and at the E.A.S.M.A. dinner to-morrow evening. The World Theatre has also promised to devote a percentage of its "gate" over four nights to the Fund.

BAG-SNATCHING.

ANOTHER LADY VICTIM YESTERDAY.

Miss Cotton, of No. 4, The Albany, reports that a hand-bag was snatched off her wrist from behind when she was walking along Hospital Road yesterday near Dr. McKenna's bungalow. The thief managed to get away with the contents of the hand-bag, which she said to be \$50.

BRITISH FILM WEEK.

HONGKONG AMUSEMENTS — BOLD ENTERPRISE.

It seems appropriate that a week of British films should gain the patronage of H.E. the Governor. It should gain the whole-hearted support of those whose general criticism has been that we have too much of the American element served up in our film entertainments. But it should, and doubtless will, obtain the unstinted patronage of all who appreciate the best in cinema entertainment regardless of its origin. The Colony has had British films ere this, but not to such an extent as is now promised. "Alf's Button," if we remember rightly, is a British production, featuring one of England's greatest comedians. All who saw that extravaganza were highly amused and voted it one of the best of its class. "Squibs, M.P." which appears at the Coronet to-morrow will probably be found "Alf's" equal, if not its superior. It is modern in all its bearings; original, with a strong vein of comedy running through it. In certain of its scenes, realism has been sought for and gained. Thus a House of Commons' display is true to life—even to the appearance of real live M's. P. George R. Sims, who, in his lifetime turned out more melodramas than any other—all good—is represented with his "The Harbinger Lights," whilst "The Son of Kissing Cup," if it will not remind us of local race meetings, will stir the blood with its faithful representations of horse racing, with all the intrigue that, in a play, at any rate, is associated with horses and "flutters." Other pictures there are to follow these and to make the British Film Week anything but a flabby one, but rather one of high enterprise, education and amusement.

TURKS' LIABILITY.

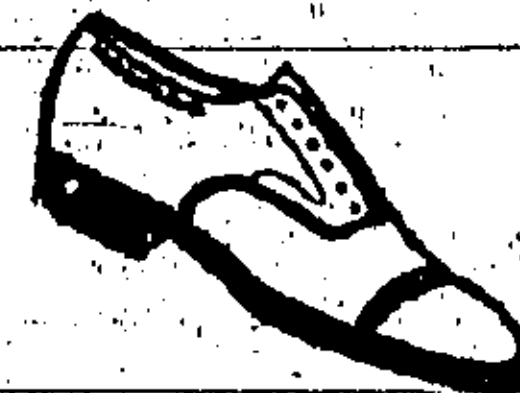

OLD OTTOMAN DEBT.

(Reuter's Service.)

Constantinople, November 8.

The Commission for apportioning the old Ottoman debt has concluded its task, resulting in the reduction of the total Turkish liability from £135,000,000 (Turkish gold) to £67,600,000, involving an annual charge of £6,000,000, instead of £10,000,000. The portions allocated to the various secessionary states are: Greece, £17,500,000; Palestine, £5,000,000; Mesopotamia, £12,500,000; Syria, £15,000,000; all of which have been given three months in which to lodge any objections.

BOXING

DRAWING CARD FOR NEXT SATURDAY.

As will be seen from the programme published on page 9 in this issue, the Hongkong Boxing Association have gone to great pains to offer the public an attractive bill for Saturday night next in the Theatre Royal.

The main bout is between Jim Cartledge, R.N. and Captain Matty Smith for the Light-Weight Championship of the Colony, and a Belt.

The men are to fight under National Sporting Club rules. Maximum weight 155 lbs. Six ounce gloves will be used.

It is timely to mention here that the N.S.C. rules call for men to protect themselves at all times, i.e. they are permitted to hit as soon as they break. This should obviate any repetition of opponents stretching their arms back like one awakened from an afternoon siesta, which recently has been such a feature of local exhibitions. Space will not allow of more than a summary of the men's performances.

Our visitor, Captain Matty Kenyan Smith, has taken part in 253 contests. He has won 74 by a knock-out; lost 5 by a knock-out; lost 26 by decisions and won or drawn 222. By defeating Bob Spencer, he won the feather-weight championship of Canada. By his victory over Jack Douglas, he gained the title of feather-weight champion of the Pacific Coast. He won the Australian Army lightweight championship when he defeated "Red" Watson at Cairo. At Paris, he won the inter-Allied title from Benny McNeil.

JIM CARTLEDGE

Our local man, Jim Cartledge, R.N. has only lost 5 fights out of 98 and drawn 2. He claims he has never been knocked off his feet. He won 15 rounds at Premierland with Danny Frush and though he lost on points, it was a highly meritorious display, as Danny defeated Crique in 8 rounds.

It will thus be seen that the main bout on Saturday should provide a capital set-off to all goes well. Both men are especially keen to win in view of the happenings of the past year and the public can be reasonably sure of their money's worth.

Among the other bouts some excellent scrapping may also be expected, as in each instance it is a case of a return match after a very narrow victory.

QUEEN'S THEATRE

MISS BESSIE LESTER.

There was a large attendance on Saturday and Sunday at the performances at the Queen's Theatre. A young American comedienne with an engaging personality, Miss Bessie Lester, made her first appearance and achieved a veritable triumph, the applause being almost overwhelming after each of her contributions. Miss Lester was required to respond to insistent recalls. Her work is unique and clever, she sings both straight and character songs, and puts over quite a lot of funny gags. Tonight will be her farewell performance in a new repertoire of dialect songs and stories. On the same programme will be shown the Metro-feature "The Face Between" featuring Sylvia Breamer.

QUEEN'S THEATRE

BOUGHT AND PAID FOR

A play that has never failed to thrill American audiences, is George Broadhurst's "Bought and Paid For." And now the William de Mille screen version of it, which comes to the Queen's Theatre today, probably will thrill even more effectively. So well known is the story of this popular play that to repeat it seems quite superfluous. It need only be said that the picture follows the story of the play with faithful exactitude, diverting only in those slight instances where diversion meant betterment. For its direction, the picture could not have been in abler hands than those of William de Mille, whose consummate skill in the interpreting of scenes filled with dramatic intensity has led to his becoming one of the foremost producers of the motion picture world. Heading a popular cast are the popular Paramount stars Agnes Ayres and Jack Holt, each possessing a creditable host of laurels. In their support such favourites as Walter Hiers, Leah Wyant and George Kuwa. The adaptation was done by Clara Beranger. Altogether, a picture to be hailed as a decided acquisition on the part of the Queen's Theatre and a treat for picture fans. Hongkong cinema-goers should make it a point to see this picture at one of the 9.15 p.m. performances as 20 per cent. of the gross takings is donated by the Queen's Theatre Management to Earl Haig's Fund for Ex-Servicemen and their dependants.

MUSIC NOTES

Two little verses by R.L. Stevenson, entitled "The Hayloft" and "Fairy Bread" have been set to music by our well-known local composer, Mr. Temple P.M. Bevan, and prove to be two charming songs. "The Hayloft" has a tuneful and rhythmic melody, which rather recalls the part-song "All suddenly the wind" written by the same composer and which was sung with great success by the Philharmonic Society last season. "Fairy Bread" is in lighter vein and charmingly uncommon, but equally charming, the accompaniment being very well written. "Fairy Bread" by the same composer, has a simple plaintive strain running through it, which is quite in keeping with its name. The "Two Songs" and "Fairy Bread" may be obtained from The Anderson Music Co.

ELECTRIC TRAMS TO THE
PEAK.

Few people who use the Peak tram during the rush hours will agree, we imagine, with the Colonial Secretary that the existing facilities are adequate. Mr. L. G. Scott, superintendent of the Tramway, readily confesses the

remarks could not have been taken as an answer to the criticism that has been directed against official apathy—and, anyhow, the Government, it now seems, is ready to take action at long last and to further a scheme for providing an additional line to the Peak. Presumably, the report, which Sir Claud Severn said last Monday the Government was expecting to receive any moment upon the whole question of Peak transit, was the report Mr. L. G. Scott told a "China Mail" reporter last Friday he had sent to the Government submitting a scheme for electric trams to all parts of the Peak. Obviously, as he said in the interview published in the "China Mail" on Saturday, Mr. Scott could not divulge the details of this scheme, the report being confidential, but the outline he was able to give holds out great promise for the future, the electric system enabling the company to put on as many extra coaches as are needed and to extend the line to serve the top of the Peak itself, in the same way, we suppose, as electric trams serve the streets of the lowest level at present. These are indeed alluring prospects, and every Peak resident, except possibly Sir Claud Severn, will warmly hope, with us, that the Government does not take too long to consider the report upon which so much depends.

Bolshevik Intrigues.

Some weeks ago a Riga cable stated that, according to official statistics, some 50,000 members of the Russian Communist party had joined the newly organised society, "Hands off China," and its different branches. Home advisers state that at the head of the society there are members of the bureau of the Eastern Section of the Communist International, Volinsky, the representative of the so-called Prointern, and the representative of the All-Russian Soviet of Trade Unions, Vladimiroff. Under the camouflage of friendly sympathy to the people of China, the society, which, in fact, is a branch of the eastern section of the Communist International, is conducting and has started a special fighting fund, to which are allotted amounts deducted from members' fees and contributions forcibly collected from the workmen and employees. The considerable amount collected has been sent to the "Society for Fighting Imperialism" in Peking. Besides this, the society, "Hands off China," is secretly recruiting and sending to China volunteers, especially citizens of Chinese nationality, to fight against foreigners, providing them with everything necessary. It is reported that the first detachment of "volunteers" and instructors, consisting of former Red commanders, has been already sent by way of Mongolia to aid Dr. Sun Yat-sen. From recent announcements at Canton, a number of the Bolshevik agitators have already opened the campaign, which indicates further unrest in China.

Chinese Mission To U.K.

After completing a tour of industrial centres in the United States, a party of Chinese is now visiting the leading industrial centres of Great Britain. The instigator of the mission is the Governor of Shansi and the object is to gain knowledge in those centres chiefly associated with the iron and steel trades. Members of the Mission state that their Province is rich in iron ore, coal and other minerals, and with the object of ascertaining modern industrial practice in the making of iron and steel, and the manufacture of steel products, they are visiting representative works so that the industrial development of Shansi may proceed on right lines. It is noteworthy that two members of the Mission, Mr. M. S. Tong-an-Li, Director-General of the Government Arsenal and Mint at Taiyuanfu, Shansi Province, and Mr. C. S. Hal, secretary to the Governor of Shansi, were formerly students in the Applied Science Department of the University of Sheffield.

FOOTBALL.

TO-MORROW'S CHARITY
GAME.

[By Dutchie.]

The game Services v. The Rest to-morrow will start at 4 p.m. sharp. Both before the kick off and during the interval the Band of the East Surrey Regt. (by kind permission of the Officers) will play. There is no change in the advertised teams so far, but it is doubtful if Wynn will have recovered sufficiently from Saturday's accident to be able to play; if not Wheeler (Kowloon) will deputise.

LAI WAH CUP DRAW.
The Council of the Football Association met on Saturday evening to make the draw for the "Lai Wah" Cup Competition, which resulted as follows:
Civilians v. Chinese.

Navy v. Army.
The first named will play on the Club ground on Saturday, November 22, whilst the last two will play on January 17. No ground has been fixed yet, but most probably it will be Sookumpo.

TO-MORROW NIGHT'S
CARNIVAL.

In connection with the carnival the Victoria Recreation Club are holding to-morrow night for the Poppy Day drive, it is learned that two of the singers of the Grand Italian Opera Company will take part in the programme by kind permission of Mr. Carpi. There is a possibility that some of the ballet dancers will perform as well.
The carnival will include a couple of side-shows and it is hinted that there will be several very pleasant surprises.

HOME AGAIN.

SIR ROBERT HO TUNG'S
IMPRESSIONS.

To a "China Mail" reporter who chatted with him after his first morning's work since he arrived back in the Colony by the s.s. "Coblenz" yesterday morning, Sir Robert Ho Tung, the Assistant Commissioner for Hongkong at the Wembley Exhibition, referred to the changes which had taken place in England since his last visit twenty-four years ago.
The development in motor and electric transport seemed particularly to have struck Sir Robert and he referred with almost affectionate regret to the passing of the horse drawn trams on which he had travelled in the course of his last visit.

Whilst making it plain that he did not want to say anything into which political significance could be read, Sir Robert said that he had found the members of the Labour Cabinet whom he had met, able and intellectual men and he had particularly enjoyed his conversations with Mr. J. H. Thomas both when they had met at Mr. Thomas's house and when the late Secretary of State for Colonies and his family had been the guests of Sir Robert and his family at the Chinese restaurant at Wembley.
The reporter's reminder of Sir Robert's trip to Scotland seemed to stir within him very pleasant memories. "The scenery was magnificent," he said. "We went everywhere by motor car."
"Rolla Royce," queried the reporter.
"As a matter of fact it was," smilingly returned Sir Robert, "but it was hired."

When the conversation turned on more serious topics and Sir Robert was asked what his views were regarding the round table scheme he had advocated in regard to the bringing together of warring factions in China, Sir Robert said that he would rather not commit himself until he had had an opportunity of studying the position more closely. He had kept in touch with developments whilst at home and had studied the news bulletins on board ship but since leaving Singapore he had read nothing.
Touching on the Exhibition, Sir Robert said that the Hongkong section had been on the whole a financial success and the Chinese articles had made a great appeal.

"REVELLE."

ATTRACTION AT STAR
THEATRE.

This picture which comes to the Star to-morrow in connection with the "All-British film week," is appropriate to the day of its showing. It has been said of it that "it beggars description in the applications of ordinary standards; it is life itself." People who say they are tired of books about the war, may say the same of films about the war. But this state of mind should not operate in the case of "Reveille," which is of any town in Britain in the years 1918 and 1923. Years of war and of peace, with strange happenings, joys and sorrows, excitement, turmoil, pretence, disillusion, all the component parts of life itself. There are strange contrasts—gaiety in London, death in Flanders, the riotous laughter and song of the celebration of Armistice night, a land fit for heroes to live in, and processions of unemployed. The characters on the screen are not so much characters as they are living people—living a life that we know in laughter and sob. In a word, "Reveille" as a picture, is in a class by itself, not to be compared with others; to be seen, to be talked about and to be seen again.

WAGES CLAIM.

WICKERSHAM CASE
RECALLED.

PAY ON ACCOUNT?

Rohn Junior As Plaintiff.

A re-echo of the case heard in the local police courts a few weeks ago known as the Wickersham case, and as a result of which the president of the American Asiatic Commercial Company of Hongkong was sentenced to a term of imprisonment because of allegedly false statements contained in the prospectus of the Company was heard in the Supreme Court this morning before Sir Henry Gwynne Gollan, Chief Justice.

Mr. Helmuth Rohn, son of a principal in the Company, claimed \$600, in respect of two months' wages and another month's in lieu of notice.
Mr. W. B. Hind was for the plaintiff and Mr. N. I. Brewer for the defendant Company.
Mr. Hind said that the plaintiff was employed as from April of this year as a mercantile assistant at the salary of \$200 a month. In July the offices of the company were closed and he was told that his services would no longer be required. He was not paid for June or July.

Plaintiff went into the box and said that he was not told that he must go but that he could. Mr. Shoffer, the secretary and treasurer, told him that he would be paid when Mr. Wickersham came back. All the other employees were paid on July 2 for their June salaries. So far as he knew no one had been to the office since. It was entirely shut up.

Plaintiff As Manager.
Cross-examined by Mr. Brewer, plaintiff said that his father left Hongkong for Bangkok the Tuesday after Easter. He was general manager of the company then.

"Did you receive any salary from the firm before he left?"

Plaintiff: No.

Mr. Brewer: Although you did work for them?

Witness: I received commission.

"What was your position in the firm when your father left?"

"They told me that I was manager of the Hongkong branch."

"Who do you mean by 'they'?"

"My father told me in front of Mr. Shoffer and Mr. Wickersham."

"Your father appointed you?"

"He told me so."

"Did you take your orders from your father?"

"As general manager, yes. In his absence also from the Board of Directors."

"When your father came back would your position still have been manager?"

"Yes."

"Then the firm would have had two?"

"No, a manager and a general manager."

"I put it to you that you were only representing your father in his absence."

"That is not so."

"Your father had arranged that certain money should be advanced to your mother in his absence on account of shares he held in the company and I put it to you that the same arrangement was made in your case."

"In his absence we were two different persons. My account had nothing to do with his."

"I put it to you that all money paid you was merely on account of those shares."

"Was I then to work for nothing?"

"You were there to work for your father in his absence."

"I can't do the general managing work."

Case Reviewed.

Mr. Brewer then addressed the Court and said that the case was not a simple master and servant one. It was the re-echo of one which had been heard in the local court and was known as the Wickersham case. The circumstances which governed it were that the three principals in the American Asiatic Commercial Company of Hongkong (Mr. and Mrs. Shoffer and Mr. Wickersham) became acquainted with Mr. Rohn senior who represented to them that he was a man with a great knowledge of import and export work and persuaded them to allow him to join the firm.

An agreement was made, continued Mr. Brewer, by which the company was to be sold to a larger concern in regard to which Mr. Rohn was to get out a prospectus and receive a fourth share. At attempt was made to float the company, Mr. Wickersham and Mr. Rohn going to Bangkok for that purpose.

"His Lordship: Was the Company registered?"

Mr. Brewer: The first one was but not the second one.

"And who held the shares for the first one?"

Mr. Brewer: The three principals with the exception of a few held by the employees.

SOME "BAD HATS."

POLICE ROUND-UP AT
WEEK-END.

SUSPECTS ON REMAND.

The career of a number of desperadoes who have been active lately in a series of robberies in the upper western district was cut short when smart work on the part of the police resulted in a number of men being arrested at the week-end.

RAID BY POLICE.

Acting on clues furnished by a man arrested last Friday, the police made a raid on a building under construction at Babington Path, where they discovered several daggers and coils of wire rope. Four men were taken into custody here, only one of whom, however, has been identified as a bad character.

The two men were brought before Mr. N. L. Smith at the Central Magistracy this morning and formally remanded. Both are believed to be of the same gang and to be implicated in several robberies. Up to this morning the police have evidence that one of the men is concerned in an attempted armed robbery on a school teacher and the other in the brutal assault and robbery on Mrs. Harris Walker at Lyttelton Road on November 1.

The building at Babington Path is believed to be the headquarters of quite a number of robbers, and the police are now engaged in bringing the others to book. Several articles of jewellery have been found by the police, and it is hoped that those who have been victims of robberies, and have not reported them, will do so without delay, as this will assist the police in their investigations in connecting the men under arrest with such robberies and also in tracing the other members of the gang.

FURTHER DEMANDS.

In connection with the highway robbery committed last Thursday afternoon by three men at Bowen Road near the Military Hospital, when some women were deprived of jewellery and money to the value of \$190, it has now transpired that the robbers are hospital coolies. These men were arrested by the police and remanded when they were brought up at the Central Magistracy this morning.

Continuing, Mr. Brewer said that Bangkok was to be the main scene of operations of the company and as Mr. Rohn went there to try and sell shares he left his son in his place to look after his interests and to assist generally in the firm's affairs. Mr. Wickersham and Mr. Shoffer were the senior men but it was generally admitted that Mr. Rohn senior was a man of great skill and acumen. The two seniors had every faith in his knowledge and they thought that his son could quite satisfactorily look after his father's interests for the short period in which he would be away.

While Rohn senior and Wickersham were in Bangkok, continued Mr. Brewer, queries began to be raised about the validity of the prospectus and a telegram was despatched by Mrs. Shoffer to Wickersham in the following terms: "Rohn's business shady, return." Both men returned and Rohn at once went to the Company's office and fell out with Mr. Shoffer. Proceedings were brought through a Chinese employee and Mr. Wickersham was sentenced to a term of imprisonment as president of a company which was alleged to have issued false statements. The offices were closed down and everything was sold.

This man, said Mr. Brewer, indicating the plaintiff, was never in the employ of the company on salary. He was paid on account of shares held by his father who was to repay it when profits were made. Mr. Rohn senior had not paid back the money.

Mr. Shoffer's Evidence.

Mr. Shoffer was the next witness called. He said that when Rohn senior left for Bangkok he said to witness and Mr. Wickersham that as they did not know much about China, he would leave them his son who would do his work while he was away. Money was paid to Mrs. Rohn and Rohn's son because they were in distress. It was charged up to the account of Rohn senior.

Mr. Hind objected to the last statement being taken as evidence as the account book was not in court.

Mr. Brewer said that it was unfortunately in the hands of the police.

Mr. Hind questioned Mr. Shoffer as to the form of the receipts given to Rohn junior. Witness said that the two receipts for amounts given him were also in the hands of the police.

Mr. Hind: I put it to you that they read as follows: Received from the American Asiatic Commercial Company salary for the month of \$200.

Mr. Shoffer was emphatic that the words "on account" followed. Eventually it was decided to adjourn the case for Mr. Brewer to subpoena the police for the production of the receipts.

ALLEGED CANNIBAL. STRANGE YARN FROM CANTON. CROWDS NEAR MUSEUM.

As briefly reported in Saturday's "China Mail," a rumour had got around that a Chinese woman, the wife of a Canton official, with cannibal tendencies, had come down to live in Hongkong. The vernacular papers assured us that no alarm need be felt as the rumour was groundless.

Nobody knows exactly how the yarn started although one person volunteered the following to a "Mail" reporter:

This lady had been living in Canton for some years and had made it a practice of engaging servant girls whom she fattened up till they were fit to become steak for her. An amah who joined her establishment probed around the house when a *mai tai* was missed and discovered the pile of bones. She fled from a doom that might have overtaken her and it gradually became known that the woman was a cannibal.

To get out of the way of the Canton detectives and the better to satisfy her omnivorous tastes, she came down to Hongkong and began to engage amahs by the score, so the story runs.

Like the fable last year of the mirror in a Macao pawnshop, which foretold the typhoon calamity, there is nothing in the story. Nevertheless many people were talking about it yesterday, while other crowds gathered round the Museum, or rather, the fountain steps so as to be at a safe distance from the man-eating woman.

Instead of pointing to a Sikh policeman in future, Chinese mothers will probably talk about this cannibal lady to keep their fretful children quiet.

Crowd At Museum.
A large crowd of Chinese, several hundred strong, comprising mostly women and children, assembled outside the City Hall on Saturday afternoon to see the "cannibal" who, according to information received by them, had been captured and placed on view at the Museum. Despite the assurances of the watchman and others at the City Hall that no such person was on exhibition at the Museum, the people were not to be got rid of easily and were hanging round the place until late in the afternoon.

According to these people, the man-eater was supposed to have been transformed into a man with a tail in addition.

NAVAL AND MILITARY.

CHANGES OF PERSONNEL AFFECTING THE EAST.

Under date of October 9, the correspondent of the "China Express and Telegraph" writes:

Lieutenant L. B. A. Majendie and Lieutenant W. L. Berridge, on joining the "Titanic," Hongkong, in December, will assume command of submarines of the flotilla there. The decision of the Admiralty to raise the strength of the submarine flotilla is the outcome of the necessity for having a bigger force of under-water craft on that station. Although local conditions there have hastened the preparations, the decision to do so was come to some time ago.

Lieut.-Colonel Bond, C.M.G., D.S.O., from second in command of the 2nd Battalion Royal Sussex Regiment, Singapore, has been posted to the command of the 1st Battalion at Derry, on promotion. He served with distinction in the South African War and in the late war, earning the D.S.O. in the first-mentioned war, and the C.M.G. the brevet step of lieutenant-colonel and two severe wounds in the latter one.

On vacating the command of the 1st Battalion of the Royal Sussex Regiment the other day, Lieutenant-Colonel Bellamy, D.S.O., received a very fine "send-off." He was accompanied to the Midland Railway Station—on route to Liverpool—by the regimental band and a large number of the officers and men, who wished him "good luck." Certainly, a more popular officer never rode at the head of the old 36th Foot.

The "Weymouth," which has been employed most of this year in carrying relief crews to various foreign stations, is due home on the 10th inst., from the East Indies Station. She will clean up and get ready for another Eastward bound run—this time to the China Station—with a new crew for the light cruiser "Despatch," which will shortly complete her maiden commission there.

Commissioned Gunner C. E. Thompson and Gunner A. H. Wood, have been ordered to join the "Tamar" and the "Mongolia" respectively early in December. Signal Boatwain L. C. Hopkins has been ordered to join the "Havanna," flagship of the China Station, on the 28th inst.

CANTON REDS.

CELEBRATE BOLSHIEV DAY OF FESTIVITY.

WAS SUN PRESENT?

(From Our Own Correspondent.)

Canton, November 9.

On Friday, the Chinese Army turned out in full force at the Public Park, to celebrate the seventh anniversary of the establishment of the Russian Soviet.

Rumour says that Dr. Sun Yat-sen attended in person to congratulate the Russians who turned out for the occasion, the latter including, it is said, some officers from the Soviet ship "Vorovsky," which lies at Whampoa.

At any rate, the roads between the Park and the Government Wharf at the East End, were heavily guarded.

Many little paper flags bearing inscriptions extolling Bolshevism and reading (broadly) "Down with the Capitalists," "Sovietism must come into its own," etc., were distributed.

Yunnan Leaders.

(From Our Own Correspondent.)

Canton, November 8.

General Fan Shek-sang and Lieut.-General Liu Heng-chiu, the Yunnanese leaders, are stated to have left Canton this morning, for Shek Tan, a town on the Canton-Kowloon Railway and close to the East River.

For days there has been much gossip about their desire for immediate repatriation to their native province. Their avowed has been put down as bluff so as to get funds out of the Canton Government as their revenue from the public has diminished through business not taking its proper course. This latest report of their going to the scene of war is a mystery. General Liu is due to return to-morrow.

LITTLE "HSU."

HAS GRIEVANCE AGAINST LOCAL PRESS.

"Little" Hsu, or General Han Shu-tseng to give him his proper designation, has written a letter in Chinese, comprising several folios, to the Editor of the "China Mail."

He starts off by saying that reports of his statements, published in the Hongkong newspapers during the past few days, were mostly far from the truth. The alleged statements which he says have been attributed to him were that Wu Pei-fu was an efficient military officer, the like of whom would not be seen again in China, that Feng Yuxiang was a cunning and mean man and that Tuan Ch'i-jui, now not having a single reliable body-guard, should not re-enter official life without being associated with Wu Pei-fu.

The only interviews published in the "China Mail" were on the Friday on which "Little" Hsu arrived in Hongkong from Shanghai. No such statements were put down as having emanated from the general.

In the course of his letter, "Little" Hsu also says that numerous friends have called on him during his stay here and he could not very well refrain from discussing the political situation, hence the arising of the reports referred to.

None of the gossip the general refers to was published in the "China Mail."

STUDENT'S SWORD-STICK.

OWNER FINED FOR POSSESSION.

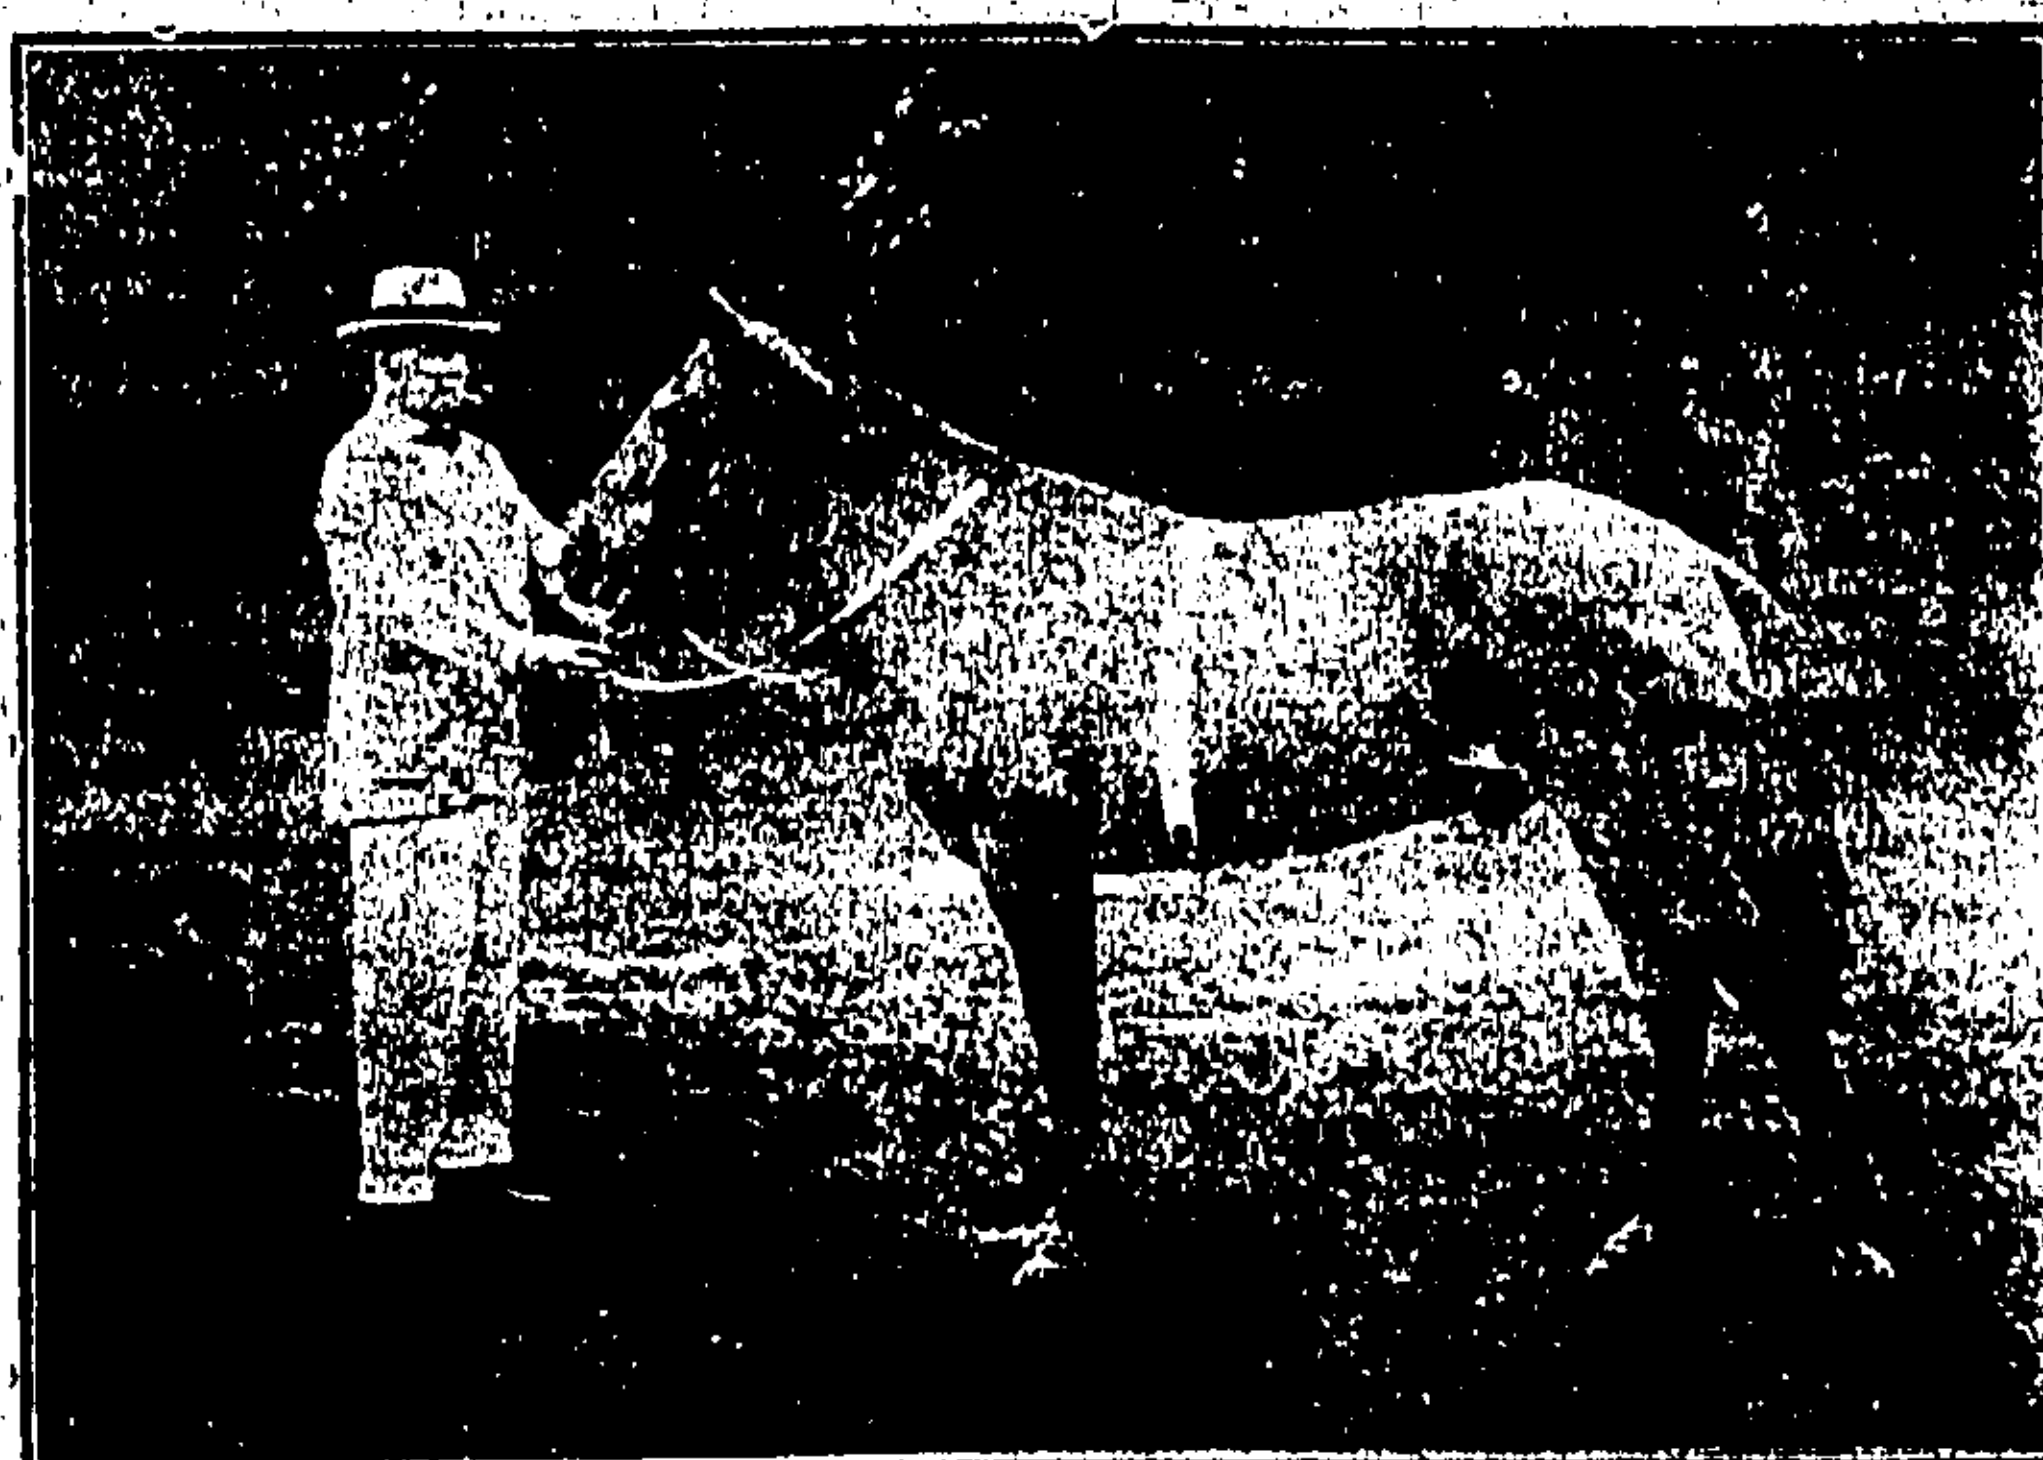

PLEA OF IGNORANCE.

Unlawful possession of a sword walking stick was the charge preferred against a Chinese named Mak Hung-chung at the Central Magistracy, before Mr. N. L. Smith this morning.

Mr. W. L. Leask, who appeared to defend, pleaded guilty to a technical offence, and asked His Worship to take a lenient view of the case. The solicitors stated that his client had just graduated from a University in France and was on his way to Peking to take up a Government appointment there. He was proceeding to Macao for a short stay when the sword stick was found in his possession at the wharf yesterday morning.

PLEA OF IGNORANCE.
It was pointed out to the Magistrate that such sticks were in common use in France and other places, and the defendant would never have brought the stick ashore in Hongkong had he known that it was against the regulations. The defendant had not been in the East for 10 years, and did not even possess a knowledge of Cantonese. His Worship was satisfied with the explanation and imposed a nominal fine of \$25.

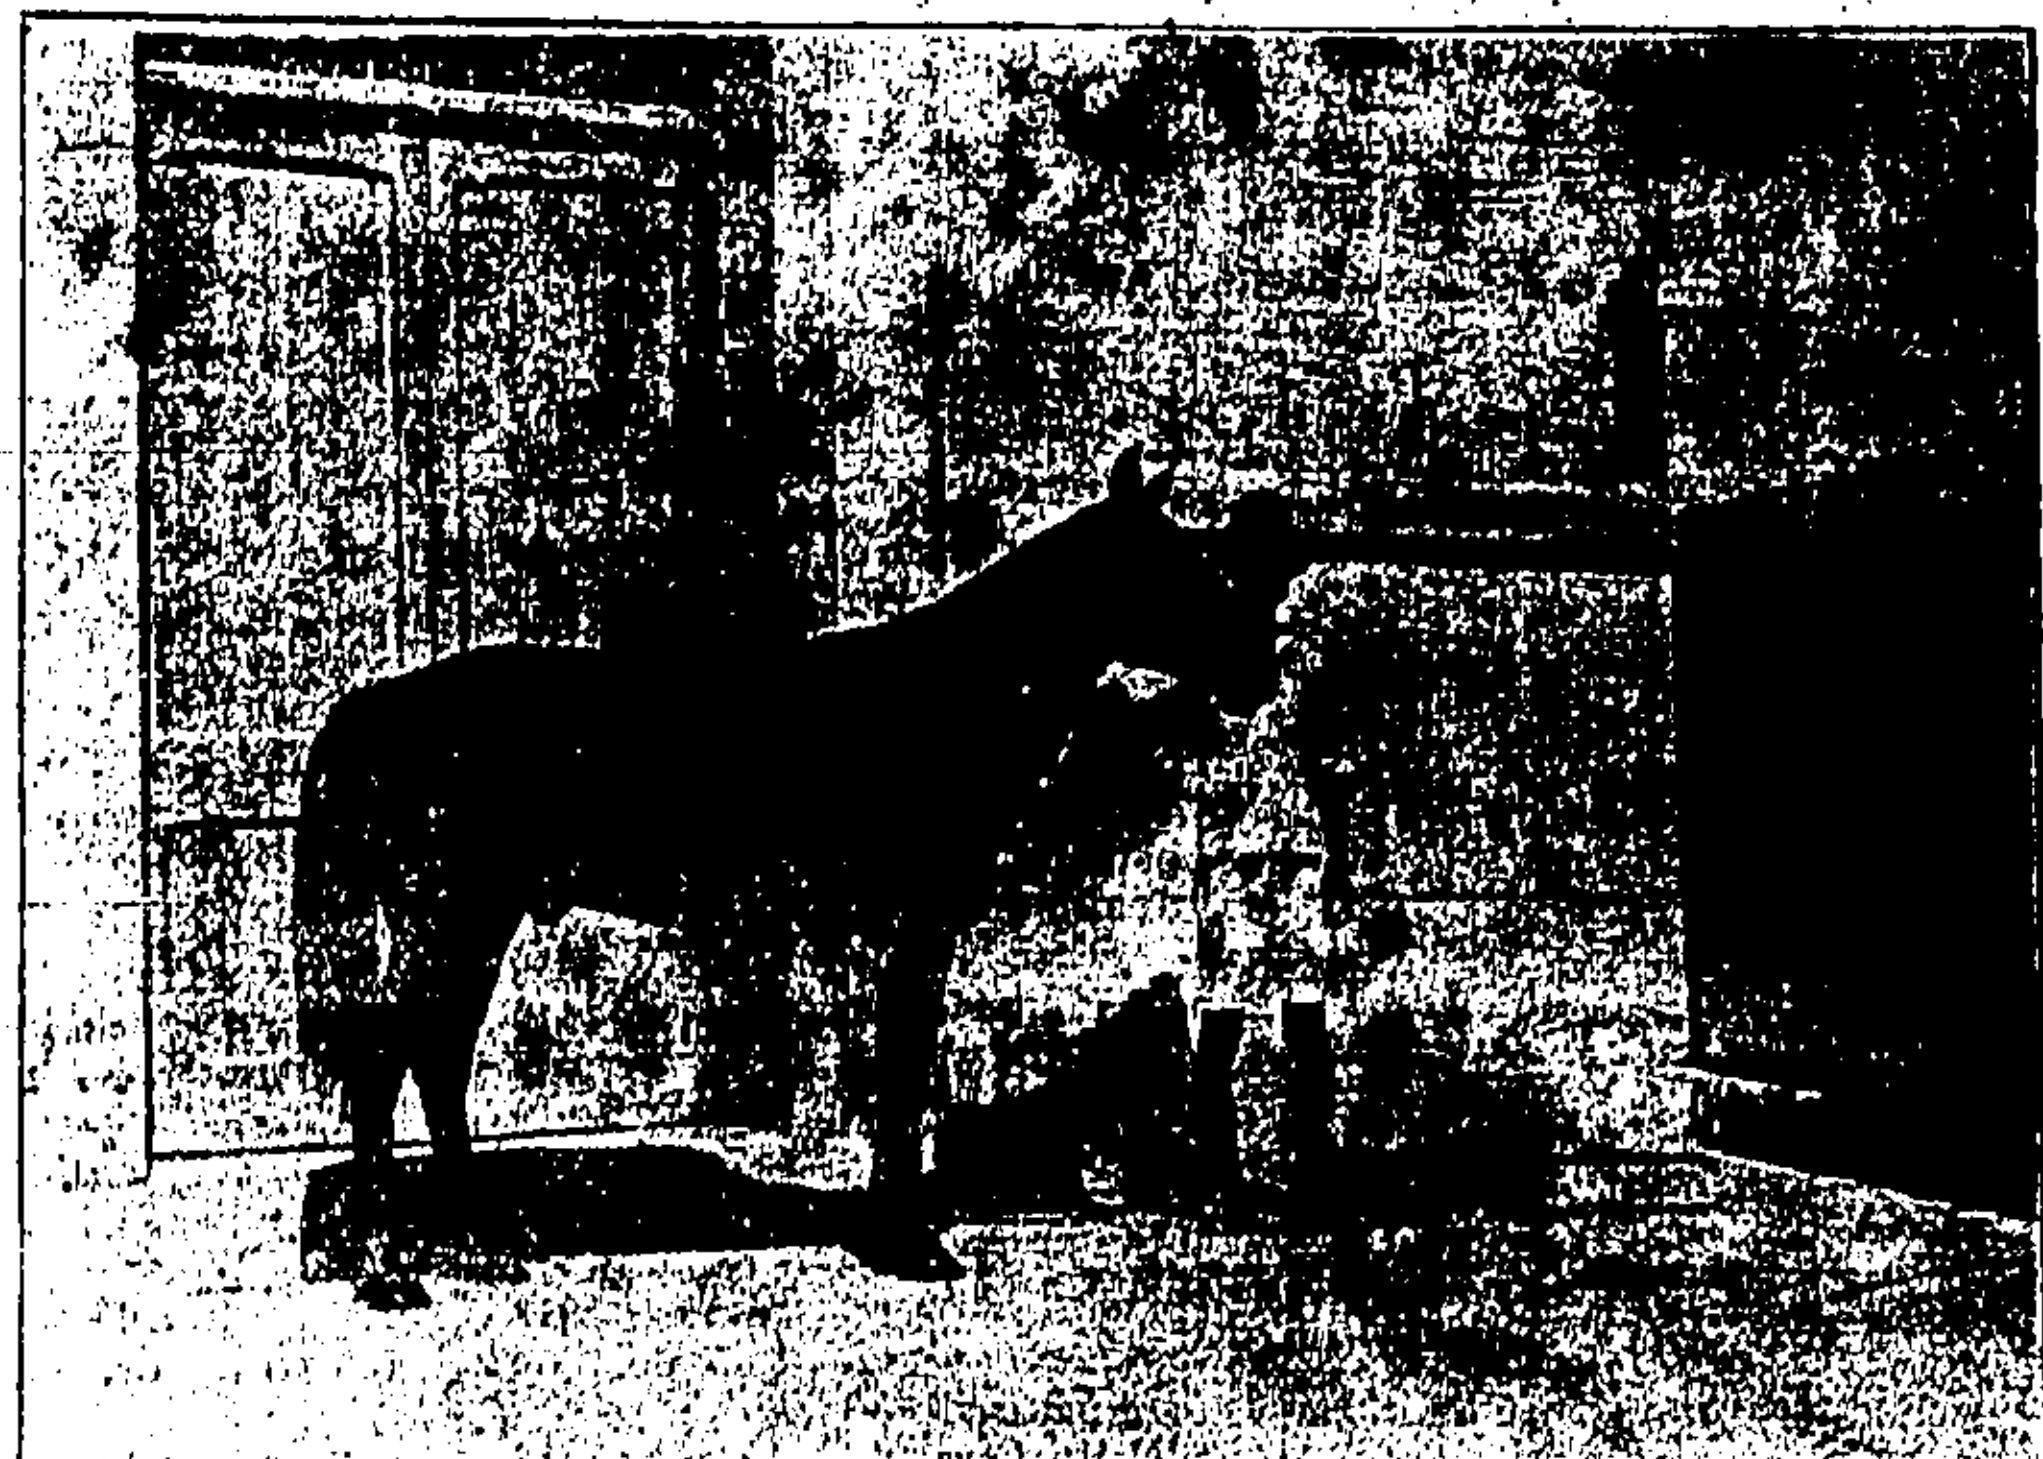

SOME OF SATURDAY'S WINNERS.

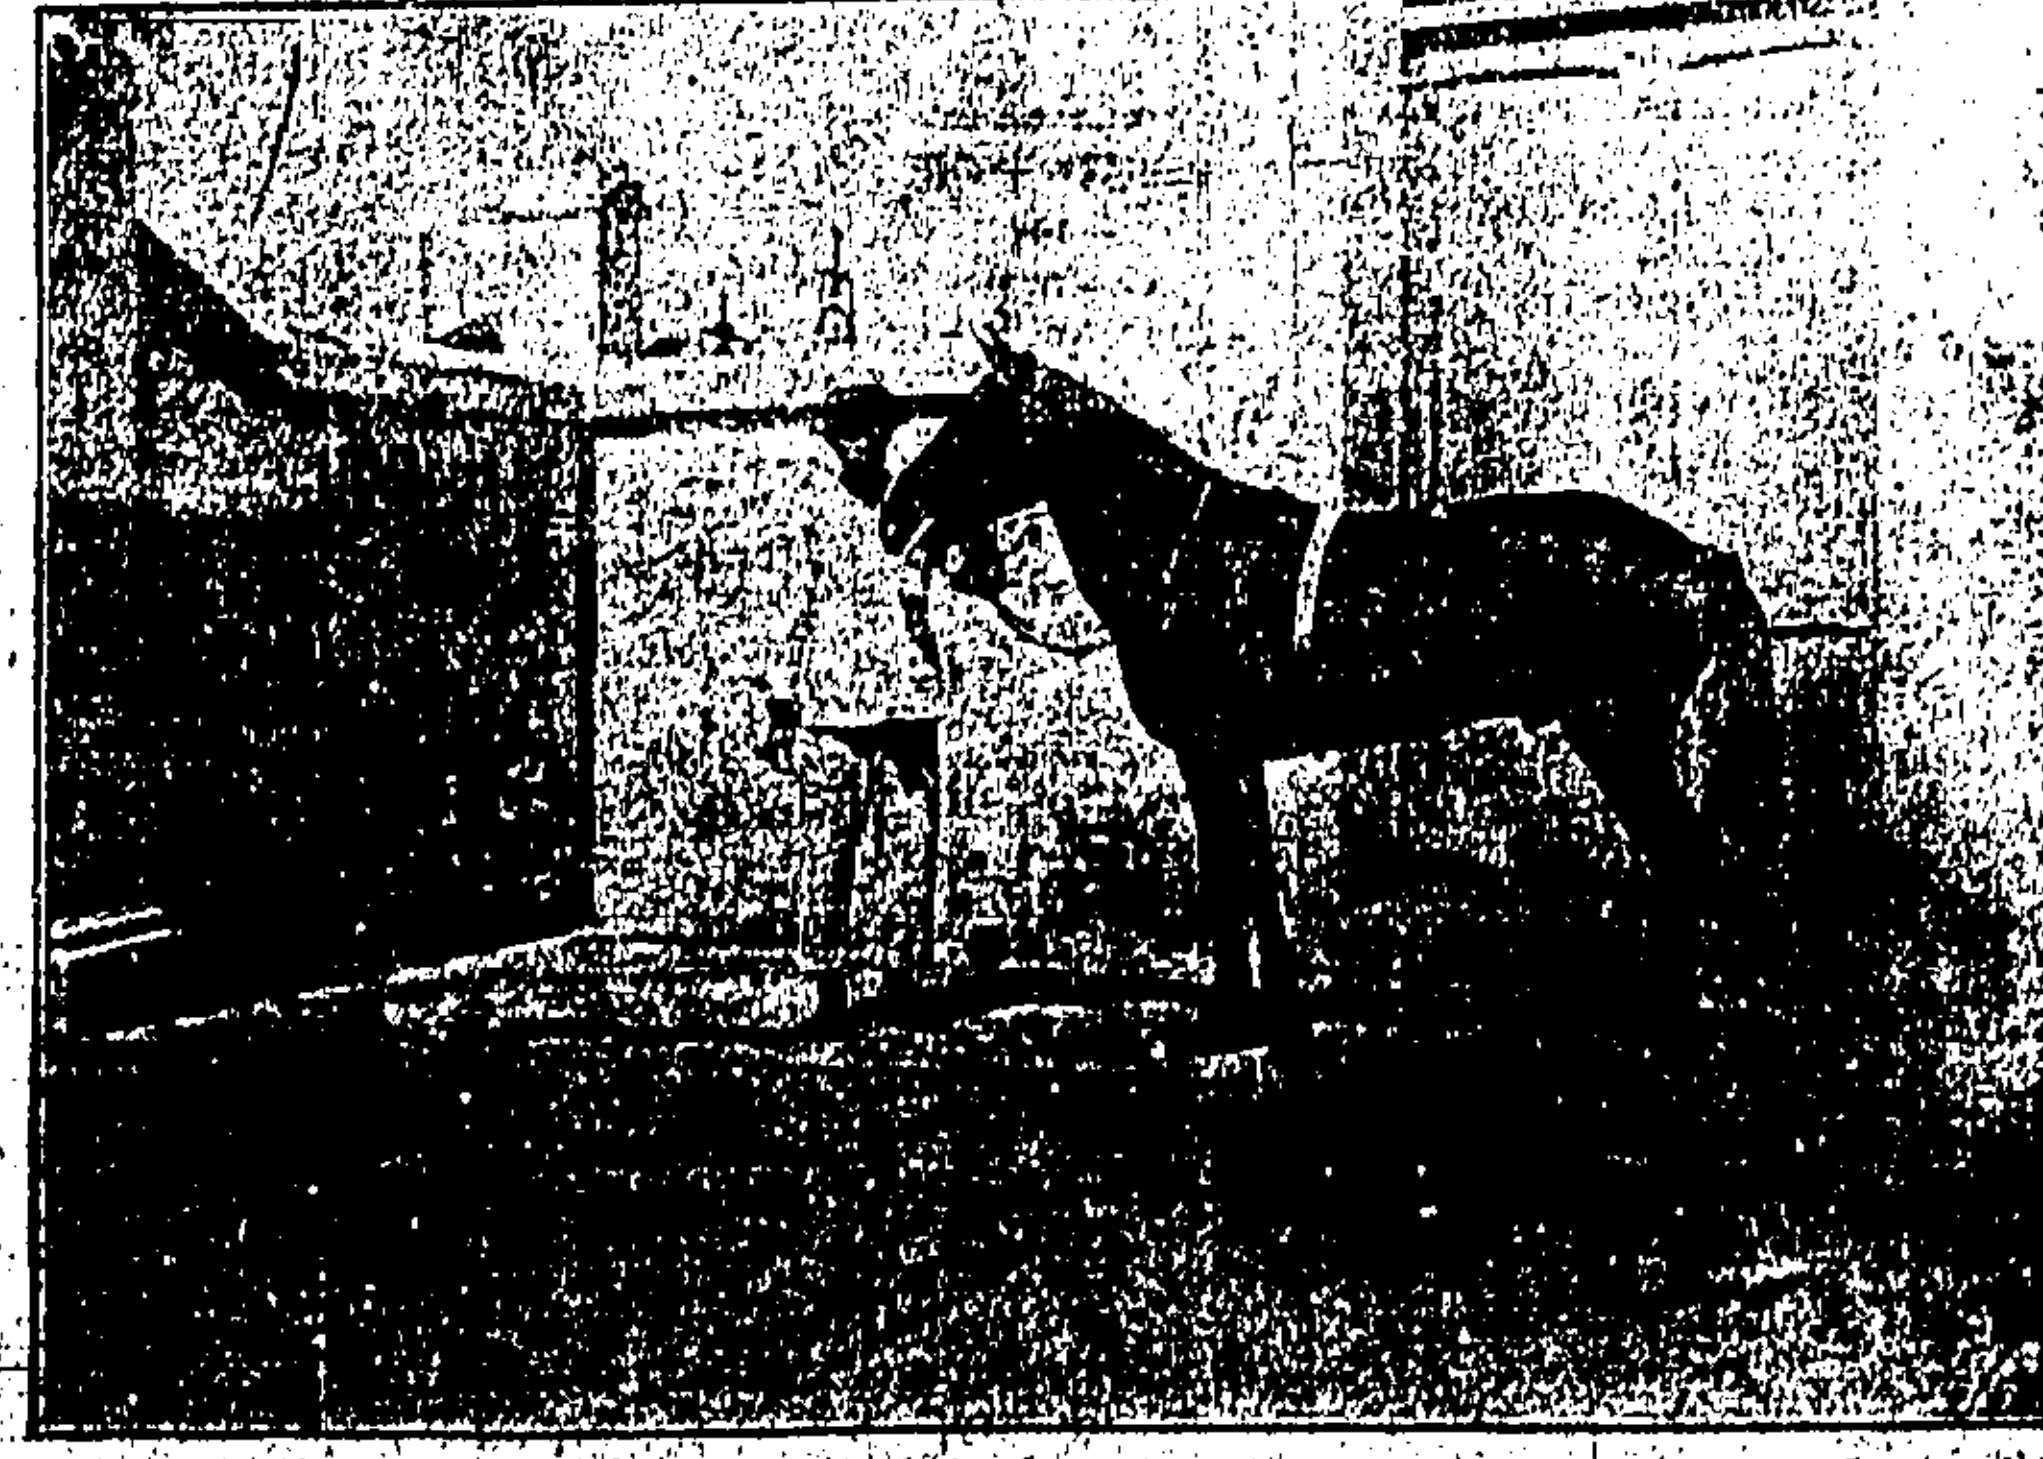

Above is a picture of Mr. H. Birkett, holding Hartfield, the joint property of himself and Mr. C. Gordon Mackie. This pony, ridden by Mr. G. H. Gibson, ran a dead-heat with Kashmir in the Shek-O Handicap, on Saturday. Two races later, he carried Mr. G. Harriman to victory in the Stanley Plate.

Kashmir, the property of Mr. L. Dunbar. After running Hartfield to a dead-heat in the third event on Saturday, with Mr. E. L. Davies in the saddle, this pony, ridden by Mr. G. Harriman, won the Shatin Handicap despite a penalty of 7lbs. for his previous victory.

Little Minch, the property of Mr. L. Dunbar. Ridden by Captain Oxspring, in the sixth event on Saturday, Little Minch ran second to Satisfaction Dahlia, returning his nine supporters \$102.70 on the place-tote.

Day of Surprise, seen above, was a firm second choice for the second event on Saturday when ridden by Mr. I. Zelenky. He finished fourth to Langest, who created the surprise of the meeting paying his backers \$198.20.

Club v. Chinese "A"

If the Club forwards had maintained the promise of the opening stages of each half they should have been the victors on Saturday, but they fell away badly and failed to take advantage of the opportunities given them by the halves and full back. The game was fast and on the whole interesting to watch but it was marred by the frequent stoppages of play due to infringements by both sides (chiefly by the China team).

A feature of the game was the consistently good play of the Club defence. No matter how badly the forwards fell away they were always to be relied upon not only to stop the men but to place the ball where the forwards were on. Gerrard and Bishop were on top of their form and the half backs were always behind the forwards ready to back them up when they were "nothing doing" in their own half. Mair and Stewart were particularly good and Howard appears to be settling down well to his new position.

Not a great deal can be written in favour of the performance of the Club forwards. Evelyn and Jones were the pick on yesterday's showing although they were good in patches only. There was a noticeable lack of cohesion in them as a line and their footwork was not great by any means. In comparison with their opponent's line they were unwieldy and unfinished. Key was rather disappointing at outside left although occasionally he got in a nicely placed shot. On the other wing Pile played quite cleverly when he got the chance but his kicking is weak and this was particularly noticeable in the corner kicks of which much more might have been made.

The China team again delighted with their excellent combination and dazzling footwork. They took full advantage of their superior speed and if their shooting had been anything like good they would have penetrated Roger's defence more often—excellent though it was. Their star players were Sun Kam-sun, who scored the only goal of the match, Leung Yuk-tong, and Lam Yuk-yun, although the latter was pulled up often for infringements.

The teams were:
Club—Roger, Gerrard and Bishop; Mair, Stewart and Howard; Pile, Forsyth, Liou, Jones, Evelyn and Key.
S.A.—Lan Hong-sheung, Lal Yuk-tai, Chan So, Leung Yuk-tong, Wong Shu-wah, Lam Yuk-shan, Tsang Kam-king, Sun Kam-shan, Ip Kan, Wei Tong, Chan Kwong-yul.

were able to account for the Police yesterday afternoon. The Police were unlucky; Wynne who was suffering from bad ankles was unable to play after half-time, leaving them with only ten men, which seemed to handicap them severely. The match started with Kowloon pressing and after a good deal of midfield play, Clemo got away and scored with a beautiful shot, which quite beat Clarke, the Police custodian. This gave the Kowloon forwards a flip, McKelvie then passing to Hayes who missed an easy goal. Then still pressing they gave Clarke a hard time, which he was quite equal to, obtaining merited applause from the spectators. This set the Police going and from a melee near the Kowloon goal, Johnson netted the ball.

Half-time 1 all.
The second half, playing with ten men, the Police seemed lost. Simpson and Johnson trying hard but the rest expect Fern being totally at sea. Duncan put in a good shot for Kowloon soon after the start which Clarke was hard put to, to save, just placing it over the crossbar. McKelvie tried hard to score after this but was also unsuccessful. Fitz-Gerald then gave a lovely centre, which Clemo apparently netted; the referee however, though appealed to said it was not over the line.

This rather nettled Kowloon and they got going. McKelvie putting in one of his straight ones scored from a corner by Hayes. This was followed shortly after by a good run down by Clemo, who passed to McBride, who scored, thus giving the Kowloon side their first victory for some weeks. The new change in the forward line, certainly made a difference, McKelvie at centre being complete master of the game throughout, while Clemo and McBride worked together well, Clemo playing a very good game.

Line Up.
Kowloon:—Stewart, Wheeler, Knight, Duncan, Turner, Pasco, Clemo, McBride, McKelvie, Fitz-Gerald, Hayes.
Police:—Clarke, Wynne, McWalter, Britton, Forbes, Orm, Pearson, Dewar, Fenn, Johnson (Capt) Simpson.

Tamar v. S. China "B"

(4) (Nil)
On the Sackum-poo ground the Tamar met the South China "B" and defeated them by four goals to nil. The latter team consisted of only eight men until after the first half, and nine in the second. Roberts and McBride each scored a goal in the first half.

A further two goals were scored by the Tamar after half time, curiously enough by the same players mentioned above.

The teams were as follows:
Tamar—Wavish, Ball, Nanford, Lawson, Woodland, Chertrett, Johnson, Roberts, McBride, Prior, Brown.

S. China "B"—Ho Shing lu, Wykam Chuen (Cap.), Lo Wai-mam, Tsang Lung, Tsang Fook-choi, Fung Wing-cheung, Chung Kwong, Chung Kwong, Chu Kwong-yung, Tang Chin-hung.

DIVISION II.

Club de Recreo "B" China "B"

(0) (0)
The Club de Recreo "B" were lucky in managing to obtain a goalless draw from South China

at the Kowloon Football Ground yesterday afternoon. A very bad game was allowed to run its course, but well in

hand by the referee, and a very good but perhaps a little scrappy game was the result.

The China eleven had the best of the match, and were very unlucky in the first half; a good corner was given, and the ball bounced up and down on the touch line before being cleared.

Half-time arrived with the score sheet blank. The second half was much of the same tenor as the first, South China having the majority of the play, the Club de Recreo putting the ball to the corner constantly, but from which the China eleven were unable to score.

For the China team, the best players were undoubtedly their two backs, Kwok Fung Kee and U. Wing Chan, while Tso Kwai Sing played a good game at centre, while the only one that shone on the Club's team was their goalie, Fernandez who played a fine game in keeping the China forwards out. Line Up.

Club de Recreo "B"—Fernandez, A. Gomes, M. Cruz, A. Carvalho, S. A. Mercal, G. Remedios, G. Osmund, J. Ribeiro, H. A. Alves, (Capt.) E. R. Hyndham, S. E. Sousa.

South China "B"—Yik Chan-ping, Kwok Fung-kee, U. Wing Chan (Capt.), Lau Fung-chung, Fong Ting-wei, Chai Woon-ting, Chee-fung, Tam Cheong-choi, Tso Kwai-sing, Lau Mao, Chow Hou-leung.

Surreys v. Club "B"

(5) (0)

The meeting of what are looked on as the two premier junior teams, (Europeans at any rate), provided quite good football although the soldiers were able to run up a large score largely on account of their fitness and the knowledge of each other's play which comes with constant practice. It was by no means a one-sided game, however, and the Club put up quite a good show. Their chief fault, however, was indiscriminate kicking. There was certainly a very nasty crosswind blowing at the time, but allowance should have been made by the Club as it was by the Surreys, who by means of short passing movements were able to keep the ball well under control.

The only players to show any degree of form were Buxton who played very soundly in the left back position; Bell, who did all the clever soldier forwards, and his namesake on the right wing who could nearly always be relied upon to get away with the ball if a good pass were made to him. MacGreavy was the outstanding figure of the Surrey team in the pivotal half back position and of the forwards Roger, Robinson and Norris played very nicely together. They tested Oswald pretty severely with their well placed shots, Roger

finding the net three times, and Norris and MacGreavy once. Oswald saved a penalty from MacGreavy at the commencement of the game.

Following were the teams:
Surreys—"B"—Hills, Laight, Pinar, Dumbrell, MacGreavy, Lomar, Ryan, Rodger, Robinson, Norris, Peckett.

Club "B"—Oswick: Lyon, Buxton; Ball, Fitzgibbon; Puncheon; Bell, Roberts, Ballton, Douglas, Dixon.

St. Joseph's "A" v. S. China "A"

(1) (1)

On the St. Joseph's ground, the match between the St. Joseph's "A" and the South China "A" resulted in a gain for the former by three goals to one. SIXTH EXTRA MEETING.

KASHMIR AND HARTFIELD SCORE TWICE.

[BY ARGUS.]

Glorious weather, close finishes, and some upsets of forms gave a fillip to a capital afternoon's sport at Happy Valley on Saturday.

As anticipated Dr. Kew's buy gelding, Prince Regent, had little difficulty in winning the race for the fifth Aggregate Stakes. He took the lead before 3 furlongs had been covered and although Fainleaf and Keki Nor each had a go at him, they could make no impression on him. After putting out a mile in 1:32 1/2 he came away from his field to win by 5 lengths in 2:05 1/2 for the mile. At no time was he ever at his top in my opinion and I am sure will take a smashing good pony really to extend him, over a mile. I watched him carefully when he came in and he showed not the slightest signs of distress. Mr. and Mrs. Dynasty were the recipients of hearty congratulations on the success of Spotted Sand, who, by his defeat of Rotherham and Fernleaf, obtained the highest number of points towards the Aggregate Cup. Spotted Sand has one win (4), two seconds (1) and a third (1) to his credit this season. In the second event Lady Severn's Langsat was fifth favourite in a field of nine and returned his 20 backers a dividend of \$198.20.

The third race produced a tremendous finish between Hartfield, Rivergrass and Kashmir. The first and last named defeated with Rivergrass only a neck away. There were seven starters, Kashmir being fourth choice on the tote, so that his followers received \$20.10. Rivergrass paying \$16.60 for a place. Two races later Hartfield carried Mr. Harriman to victory in the Stanley Plate, in which he incurred no penalty. In the last event Mr. Harriman scored Kashmir first just the post, despite a 7lb. penalty.

In the "Shatin Handicap" "B" Class Captain Oxspring was up on Little Minch, when he ran second to Satisfaction Dahlia. These who had a ticket on Captain Oxspring's mount received \$152.70 as a dividend. There were only 9 tickets and I trust the rider held one of them at last. With the exception of Day of Surprise, Mr. Dunbar's ponies ran very well at the meeting. Hartfield is beginning to show his true form, but the both-Dyer string and Sir Paul's lot, excepting Magnificent Dahlia, proved expensive to those who backed them.

The handicappers reflect much credit on Mr. H. B. L. Dowling when one considers results. The public considered Orient Dahlia, Day of Surprise and Hailsham were the only living hopes in the race won by Langsat. The Hartfield-Kashmir duel enhanced the handicapper's reputation. In the "B" class, the inclusion of Satisfaction Dahlia, it is true, spoiled the race but otherwise there was little cause for complaint concerning those that started.

In the last race, the absence of Roman Parrot detracted a good deal from the interest, but Rialto Star, Grey Dragon and Newton Abbot's running once again demonstrated that it is not always advisable to stick too closely to the book. Kashmir despite his penalty was almost as good a favourite as Grey Dragon.

Colonel Hall Bruton was once again out with the red flag, while Mr. B. Rock carried the white. With the exception of the first event, when Uncle George was fractions at the post and was left when the flag fell, the starting was of a high order.

During the afternoon, by kind permission of Lieut.-Colonel P. S. Montague-Bates, C.B., C.M.G., D.S.O., the band of the 1st Battalion E. Surrey Regt., under Bandmaster W. F. Bradshaw, played an excellent selection.

The Stewards present yesterday were: Col. Hall Bruton, R. M. Dyer Esq., B. D. P. Beith Esq., C. G. Mackie Esq., H. Birkett Esq.

The Judges were:—D. M. Ross Esq., D. E. Clark Esq.

Other officials:—M. T. Johnson Esq. (Timekeeper), H. B. L. Lovibgin Esq. (Handicapper), T. E. Pearse Esq. and P. Sutton Esq. (Clerk of the Course) and C. B. Brown Esq. (Secretary).

The results were:—

1.—SHAUKIWAN STAKES: FIVE FURLONGS.—For China Ponies that have started at any two Extra Meetings in Hongkong this year. Weight for inches as per scale. Winners of a race this year barred. Unplaced starters in Hongkong this year allowed 5 lbs. Jockey Allowance. Allowances accumulative. 1st Prize: \$800. 2nd \$150. 3rd \$100.

Mr. Bill's Exchange Bill, 146lbs. (Mr. Davies) 1

Mr. Roda's Golden Jubilee, 152lbs. (Mr. Zelenky) 2

Mr. Relyon's Uncle George, 149lbs. (Mr. Soares) 3

Mr. Stanton's Eli, 142lbs. (Mr. Leeds) 4

To a poor despatch, Golden Jubilee and Exchange Bill made the running to the Rock, with Uncle George, last away, closing up as the 3 furlong post was reached. Turning for home the first two swung wide and Mr. Soares gained inside berth, but he could never get on terms with the grey and was eventually beaten into third place.

Time: 1:16 3/5; 47 1/5; 1:21 4/5. Won by 1 length; 1/2; 2.

Tote: \$10.80. Places \$6.80; \$7.70.

2.—SHEK-O HANDICAP: "B" CLASS: ONE MILE.—For China Ponies. 1st Prize: \$400. 2nd \$150. 3rd \$100.

Lady Severn's Langsat 154lbs. (Lt.-Cdr. Thompson) 1

Capt. Neville's Hailsham, 156lbs. (Mr. Charles) 2

Mr. Dynasty's King Johnnie, 154lbs. (Mr. Davies) 3

Mr. Dunbar's Day of Surprise, 155lbs. (Mr. Zelenky) 4

Also ran: Orient Dahlia (Mr. Gibson), Manchurian Prince (Mr. Gibson), White-Rose (Capt. Oxspring), Smart Guy (Mr. Sewell), Cotongrass (Mr. da Rosa).

To a good despatch, Hailsham and King Johnnie led to the 4 furlong post where Day of Surprise got on even terms. These three raced round the bend in company, when Hailsham appeared to have stalled off all opposition. Langsat, however, came with a great run from the distance post and won handily.

Time: 32 4/5; 1:05; 1:36 3/5; 2:10.

Won by 1 length; neck; 1 1/2.

Tote: \$198.20. Places \$33.40; \$15.10; \$19.70.

3.—SHEK-O HANDICAP: "A" CLASS: ONE MILE.—For China Ponies. 1st Prize: \$400. 2nd \$150. 3rd \$100.

Messrs. Birkett & Mackie's Hartfield, 155lbs. (Mr. Gibson) 1*

Mr. Dunbar's Kashmir, 154lbs. (Mr. Davies) 1*

Capt. Neville's Rivergrass, 155lbs. (Mr. Charles) 3

Mr. Roda's Roman Parrot, 156lbs. (Mr. Harriman) 4

Also ran: Strathfarrar (Lt.-Cdr. Thompson), Pencastle (Mr. Zelenky), Nastaran II (Mr. Peat).

Hartfield and Strathfarrar made the pace to the Services Club bend with Roman Parrot last. At the half-mile Pencastle was up with the leaders with Kashmir handy fourth. Turning round the bend by the 3 furlong post, Kashmir and Rivergrass came into the picture. A tremendous race down the straight ensued with Roman Parrot closing up but the struggle was between Hartfield, Rivergrass and Kashmir. As they passed the post it was impossible to tell what the verdict would be. A dead-heat between the inside and outside with third pony only a neck away surprised no one.

Time: 32 1/5; 1:04 1/5; 1:37; 2:09 2/5.

Dead-Heat; a neck; 1 1/2 lengths.

Tote: Hartfield \$6.50; Kashmir \$20.10.

Places: \$8.10; \$10.80; \$16.60.

Dead-heat.

4.—FIFTH AGGREGATE STAKES.—Value \$500. Distance—One Mile. For China Ponies. Catch weights at 10 st. 6 lbs. Winners of an open race or open Griffin race Value \$600 or over or Ponies that have won the aggregate prize in the Gymkhana Stakes in any season 5 lbs. extra. Non-winning Subscription Griffins allowed 5 lbs. Usual conditions. Second race. 1st Prize: \$200; 3rd \$100.

Dr. Kew's Prince Regent, 151lbs. (Mr. Gibson) 1

Mr. Dynasty's Spotted Sand, 154lbs. (Mr. Davies) 2

Mr. Dyer & Beith's Rotherham, 151lbs. (Mr. Zelenky) 3

Mr. Carroll's Fernleaf, 154lbs. (Mr. Soares) 4

Also ran: Koh-i-Nor (Lt.-Cdr. Thompson).

Fernleaf led to the bend out of the straight, when Prince Regent shot to the front and remained there till the winning post was reached. Turning into the home straight Spotted Sand moved into second place and remained there till the end, thus winning the Cup.

Time: 31 1/5; 1:01 4/5; 1:32 4/5; 2:06 1/5.

Won by 5 lengths; 2; 3.

Tote: \$6.60. Places \$8.40; \$3.10.

Messrs. Dyer & Beith declared to win with Rotherham.

5.—STANLEY PLATE: SIX FURLONGS.—For China Ponies. Griffins of this year. Weight for inches as per scale. Winners of one race 5 lbs. penalty; of two races 7 lbs. penalty; of three or more races 10 lbs. penalty. Subscription Griffins of this year allowed 5 lbs. Unplaced ponies allowed 5 lbs. Jockey Allowance. Penalties and Allowances accumulative. 1st Prize: \$400. 2nd \$150. 3rd \$100.

Messrs. Birkett & Mackie's Hartfield, 152lbs. (Mr. Harriman) 1

Sir Paul's Magnificent Dahlia, 155lbs. (Mr. Gibson) 2

Mr. Dynasty's Silver Spear, 155lbs. (Mr. Davies) 3

Mr. Stanton's Fatsai, 154lbs. (Mr. Charles) 4

Also ran: Loch Rannoch (Mr. Zelenky), Irrepressible (Mr. Sewell).

Hartfield and Silver Spear followed Fatsai for the first 2 furlongs, when they went on ahead of the field. Swinging into the straight Hartfield gained about a length, which he maintained to the end. Magnificent Dahlia came with a great rush at the finish and gained second place.

Won by 1 length; short head; 2 lengths.

Time: 30 1/5; 1:04 4/5; 1:33 4/5.

Won by 1 length; short head; 2 lengths.

Tote: \$16.30. Places \$7.50; \$11.80; \$9.50.

6.—SHATIN HANDICAP: "B" CLASS: ONE AND A QUARTER MILES.—For China Ponies. 1st Prize: \$450. 2nd \$200. 3rd \$100.

Messrs. Albert & Arnold's Satisfaction Dahlia, 158lbs. (Mr. Harriman) 1

Mr. Dunbar's Little Minch, 151lbs. (Capt. Oxspring) 2

Capt. Neville's Hailsham, 154lbs. (Mr. Zelenky) 3

Sir Paul's Woodpecker, 157lbs. (Mr. Gibson) 4

Also ran: Gaudie (Lt.-Cdr. Thompson), Stariand (Mr. Sewell), Pet Mouse (Mr. Davies), Duke of Frisco (Mr. Soares), Watteau (Mr. Peat), Uncle George (Mr. Suggen).

There was some delay at the post owing to Uncle George getting away, with his rider and traversing about 1 1/2 miles as a "preliminary." When the field did finally get off, Watteau and Pet Mouse made the pace to the six-furlong post, with Woodpecker lying handy. Turning into the back-straight Woodpecker moved up, as did Hailsham. At the foot of the hill Satisfaction Dahlia and Hailsham moved up. At the 3-furlong post Little Minch was with the bunch. Turning into the home straight Satisfaction Dahlia showed clear of the field with Little Minch overhauling Hailsham at the distance post.

Time: 37 4/5; 1:40 3/5; 2:13 1/5; 2:46 3/5.

Won by 2 lengths; 1; 1 1/2.

Tote: \$8.30. Places \$6.20; \$102.70; \$7.90.

7.—SHATIN HANDICAP: "A" CLASS: ONE AND A QUARTER MILES.—For China Ponies. 1st Prize: \$450. 2nd \$200. 3rd \$100.

Mr. Dunbar's Kashmir, 160lbs. (Mr. Harriman) 1

Capt. Neville's Rivergrass, 155lbs. (Lt.-Cdr. Thompson) 2

Messrs. Dyer & Beith's Grey Dragon 157lbs. (Mr. Zelenky) 3

Mr. Fergusdud Newton Abbot, 157lbs. (Mr. Soares) 4

Also ran: Rialto Star (Mr. Davies), Washington (Mr. Gibson), Valiant Dahlia (Mr. Potts), Zenda (Mr. Charles).

The field got away after a short delay with Valiant Dahlia and Rialto Star in the van, closely followed by all except Zenda till a mile had been covered, when Newton Abbot and Washington appeared to be the leaders (the light was bad). As they swung into the straight Washington and Rivergrass were prominent with Grey Dragon handy on the rails. Kashmir came very fast round his field and soon put paid to the account of all except Rivergrass who hung on doggedly to be beaten in the end by 2 lengths. An objection was lodged against the winner by Captain Neville, owner of Rivergrass, but over-ruled after enquiry by the Stewards.

Time: 33; 1:06 2/5; 1:40; 2:12 1/5; 2:43 4/5.

Won by 2 lengths; 1; 2.

Tote: \$15.30. Places \$6.60; \$9.90; \$6.40.

THE PRESS AGENT AN ANCIENT BIRD.

Here is the world's first newspaper, and it shows that the press agent is an ancient bird, for here he extols at length the virtues and achievements of the King of Kish, much as his modern prototype tells of the virtues of the Knock-Em-Down Tooth Remedy. This sun-baked brick newspaper was one of four dug up and brought back by the Oxford University expedition.

Rocket to Moon.

Professor Robert H. Goddard is shown with the model of the rocket he hopes to be able to shoot to the moon. The rocket must attain an initial speed of six miles a second to take it out of the zone of the earth's attraction, and will travel 5,000 miles an hour after leaving the radius of the earth's gravity.

FIGURES IN THE WORLD'S NEWS.

Thomas Taggart, veteran Democratic leader, is seriously ill. The Bulgarian Embassy in Paris has issued an official denial to the emphatic rumours that have spread in Europe that King Boris has been assassinated in Sofia. United States Senator Walter E. Edge, fought by the "drys," has been renominated by the Republican party in New Jersey. Senator Ralph H. Cameron, of Arizona, has been peremptorily ordered by the Courts to remove his Cape Horn Lode mine from the Bright Angel Trail, which is declared to be Government property.

WHERE THE RUBBER HOSE IS USED INSTEAD OF THE SLIPPER.

Above are shown children outside the Elmsford School, who, when they misbehaved, have been whipped with a light rubber hose by the principal, Howard L. Holden. Now that the right to spank has been taken away from him, Mr. Holden and sixteen of the twenty-two teachers have threatened to resign.

"Ma's" Running Mate.

Barry Miller was the Democratic nominee for Lieutenant-Governor of Texas, as running mate to Mrs. Miriam ("Ma") Ferguson, nominee for Governor. Miller is a bitter enemy of the Ku Klux Klan.

Fugitive Banker.

Above is shown M. Simon, fugitive French banker, who was arrested in Bucharest, Rumania, charged with the theft of 40,000,000 francs, as he appeared before a Paris court for examination. He denied having appropriated more than 12,000,000 francs.

Slogan Scribe.

His card reads: "G. Herb Fain, Los Angeles, Cal., Advertising Specialist, Highest Paid Writer in the World." He has sailed for England to "pep" up advertising there. His most famous slogans were: "Ask the Man Who Owns One," and "See America First."

WOMAN TO HUNT BIG GAME IN AFRICA.

Mrs. E. L. King, champion shot of the Canadian North-west, has sailed with her husband and their ten-year-old son, to hunt big game in British East Africa. They will gather specimens for the universities.
